Position Overview: We are seeking experienced machine drivers, pipe layers, welders, ground workers, dump truck drivers, and teleporter drivers to join our construction projects. The ideal candidates will have a strong background in construction and a commitment to safety and teamwork. This is a fantastic opportunity to work on high-profile projects and contribute to the development of Dublin's infrastructure.

Key Responsibilities:

- Operate heavy machinery (e.g., excavators, bulldozers, dump trucks, teleporters) safely and efficiently.
- Perform manual labour tasks such as digging, shovelling, and loading materials.
- Assist with site preparation, including clearing debris and levelling ground.
- Follow safety protocols and wear required personal protective equipment (PPE).
- Collaborate with other team members to achieve project goals.
- Perform welding tasks, pipe laying, and other specialized construction duties as needed.

Required Skills and Experience:

- Previous experience in construction or a related field.
- Valid operator's license for heavy machinery (if applicable).
- Strong physical stamina and the ability to work in various weather conditions.
- Basic understanding of construction safety procedures.
- Ability to work independently and as part of a team.
- Welding certification and experience in pipe laying are a plus.
