

KARL STRONG CONSTRUCTION LTD.

EST: 2001

Job Opening: Project Manager

Location: Dublin, Ireland

Company: KSC Ltd.

About Us: KSC Ltd. is a leading civil engineering company based in Dublin, Ireland. We are renowned for our commitment to delivering high-quality construction projects with a focus on safety, efficiency, and sustainability. We are currently seeking an experienced and dynamic Project Manager to join our team and lead our projects to success.

Position Overview: As a Project Manager at KSC Ltd., you will be responsible for overseeing and managing all aspects of the project lifecycle, from initial planning to execution and completion. You will ensure that projects are delivered on time, within budget, and in accordance with our stringent quality and safety standards. Your role will involve effective coordination and communication with stakeholders, meticulous management of resources, and proactive risk mitigation.

Key Responsibilities:

- Oversee and manage all aspects of the project lifecycle, from planning to execution and completion.
- Ensure project delivery on time, within budget, and in accordance with quality and safety standards.
- Coordinate and communicate effectively with stakeholders, including clients, contractors, and team members.
- Develop project plans, schedules, and budgets.
- Manage project resources, schedules, and budgets to ensure optimal performance.
- Identify and mitigate potential risks to the project.
- Coordinate with design professionals and ensure regulatory compliance.
- Procure materials, manage subcontractors, and allocate resources.
- Oversee construction activities, conduct site inspections, and resolve issues as they arise.
- Manage project finances, track expenses, and prepare detailed reports.

- Serve as the primary contact for stakeholders, maintaining strong relationships.
- Ensure adherence to safety protocols and conduct necessary training sessions.
- Implement quality assurance processes and conduct inspections to ensure project standards are met.

Required Skills and Experience:

- Proven experience as a Project Manager in large civil construction projects.
- Strong knowledge of project management methodologies and best practices.
- Ability to manage multiple priorities and work effectively under pressure.
- Proficiency in project management software and tools.
- Bachelor's degree in Civil Engineering, Construction Management, or a related field.
- PE license or PMP certification preferred.
- Strong knowledge of construction methods and regulations.
- Excellent leadership and communication skills.

Benefits: As part of the KSC Ltd. team, you will enjoy a comprehensive benefits package, including:

- Attractive salary packages
- Healthcare
- Bonus
- Pension scheme
- Employee assistance programme
- Flexible working policy
- Wellbeing events
- Company occupational health
- Social events
- Team development days
- Ongoing training and development
- State-of-the-art office facilities
- On-site car parking
- Professional membership support
